

4 March 2026

TerraCom appoints Stephen Barber as Non-Executive Director

TerraCom Limited (ASX: TER) (TerraCom) advises the appointment of Mr Stephen John Barber as a Non-Executive Director of the Company, effective from 3 March 2026.

Mr Barber is a Geologist with more than 34 years experience across coal, gold, and critical minerals projects in Australia and internationally. His background includes senior geological and resource roles in coal operations, including work undertaken for Noble Group and client projects such as Arutmin Indonesia and Thiess.

Mr Barber is a Fellow of the Australasian Institute of Mining and Metallurgy and a JORC Competent Person. He is Director and Principal Geologist of Orestrat Mining Pty Ltd. He holds a Graduate Certificate in Minerals and Energy Management from the University of Western Australia, and a Bachelor of Science with Honours in Geology from the University of Queensland.

TerraCom Chairman, Mr Mark Lochtenberg, said “Mr Barber’s technical and geological experience will contribute to the Board’s oversight of the Company’s operations.”

This announcement is made in accordance with ASX Listing Rule 3.16.1 and has been approved by the Board for release.
