Dear Sir/Madam,

REQUEST FOR VOLUNTARY SUSPENSION

In accordance with Listing Rule 17.2, TerraCom Limited (ASX: TER) (Company) requests that its securities be placed in voluntary suspension with effect from the commencement of trading on 30 September 2026, immediately following the expiry of the trading halt granted on 28 September 2026.

The Company requested the trading halt pending the release of an announcement in relation to its financial results for the year ended 30 June 2026, including material impairments of its South African and Australian assets. The audit of those financial statements has not yet been completed. The Company expects the audit to be finalised and its audited annual report to be lodged with ASX on 30 September 2026.

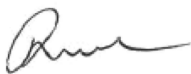

If the Company has not lodged its annual report by 30 September 2026, the Company acknowledges that its securities will be suspended from quotation by ASX under Listing Rule 17.5 from the commencement of trading on 1 October 2026 until such time as the annual report is lodged.

The Company therefore requests that the voluntary suspension remain in place until the earlier of:

1. the time it makes the announcement to the market; or
2. the close of trading on 30 September 2026.

The Company is not aware of any reason why the voluntary suspension should not be granted, or of any other information necessary to inform the market about the suspension.

For and on behalf of the Board.

Richard Clarke
Chief Financial Officer and Company Secretary
